## THE PAVILIONS FAQ

### **Can I rent the Pavilion space only and/or bring my own catering?**

No, we are a full-service caterer providing all food and beverage.

### **Can I bring in my own desserts?**

Yes, you may provide your own desserts, but this is contingent on signing La Bella Vista's dessert waiver. The waiver highlights the allowance of pre-plated cakes, cupcakes, cookies, and candies while prohibiting outside ice cream, gelato, fruits, cheese or any other enhancement item provided and sold by La Bella Vista. Refrigeration is available upon request. We'll provide a dessert table when needed along with disposable plates and forks.

### **Can I bring my own alcohol?**

No. All outside alcohol is strictly prohibited.

### **Can I hold my wedding reception at the Pavilions?**

We do not host Weddings at our Pavilions. Our Wedding Packages are known for being elite and exclusive to our Indoor Grand Ballroom, which cannot be recreated at the Pavilions while maintaining the consistency of our brand.

### **What if it rains?**

Events are held rain or shine. The Pavilions are large covered spaces. There would have to be driving wind with rain for you to get wet.

### **Is there heat at the Pavilions?**

No. Portable heaters are not allowed under a covered structure due to Local & State Fire Code. If you're planning an event at the Pavilions, please let your guests know it's an outdoor event so they'll dress accordingly.

### **Are there bathrooms at the Pavilions?**

Yes, there are fully functional bathrooms with running water; they are not porta potties. Men's and Women's bathrooms are a short walk from the Pavilions and are also handicap accessible.

### **Is there parking at the Pavilions?**

Yes, there is ample parking.

### **Do you provide games?**

We offer rental of cornhole boards for \$50 each set. You may also bring in your own games. We prohibit horseshoes and jarts for safety reasons.

### **Can I bring a DJ/Band for my event?**

Yes. There is electricity and a covered area for a DJ. Another option is to rent a PA System from La Bella Vista that includes a wireless microphone. Simply connect via Bluetooth and groove to your playlist.

### **Is there Wi-Fi at the Pavilions?**

The Wi-Fi signal is spotty so it's best not to rely on it.

### **What about decorations?**

Please note when planning for decorations that there is always a steady breeze at the Pavilion. Items containing glass (photo frames, centerpieces, etc.) are not permitted.

Balloons are not encouraged due to wind. Please keep centerpieces short and heavy.

Any décor items provided by you may be hung by string only and must be taken down promptly at the conclusion of your event. We do not allow confetti, glitter staples, tape or nails for hanging decorations. No Glitter or Confetti filled items (balloons, centerpieces) are permitted.

### **How far ahead can I set up for my Pavilion event?**

You may arrive as early as 1 hour prior to your event start time. Please confirm with your Sales Manager.

### **Will the food be out the whole time?**

The food will be served approximately 45 minutes after the beginning of the event and will be out for typically 1.5 – 2 hours.
